

# Get your advocates onboard and active.

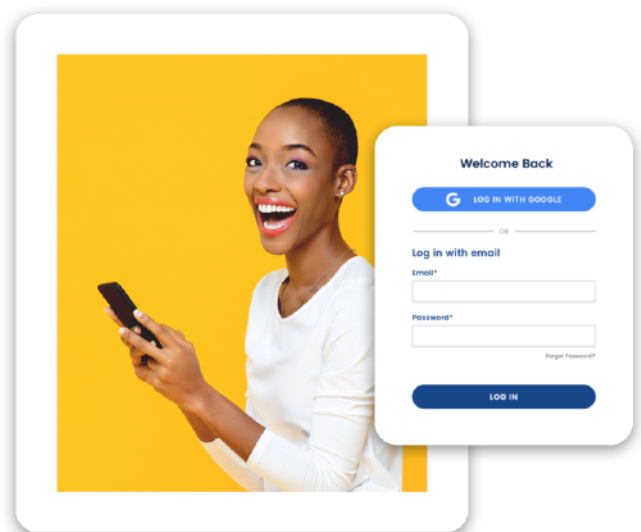

Activate HQ's **Recruitment Portal** makes onboarding advocates for your digital influencer program simple and powerful.

## How It Works

**Step 1:** Quickly customize the design of the Recruit Portal and seamlessly integrate it with your existing website

**Step 2:** Market the benefits of joining an influencer program to your audience

**Step 3:** Easily onboard, categorize and activate advocates by collecting key demographic info and authenticated, connected social media accounts

## Features

- Customizable design
- Powerful info collection
- Templated sign-up flow
- Account authentication
- Creator accounts
- Custom surveys

## Benefits

- Create custom survey questions to gather issue insights and develop individualized advocate profiles
- Connects and authenticates social accounts so you can track advocates online activity and impact
- Built to the highest standards of data privacy and security, so you can collect email, phone and other advocate information without worry
